

ODAWAY® contains a blend of biodegradable non-toxic botanical extracts that are generally regarded as safe (GRAS) for the environment and to the ozone.

PRECAUTIONARY STATEMENTS

May cause eye and skin irritation. Avoid contact with skin and eyes.

If sprayed in eyes, flush thoroughly with water.

Incidental skin contact is not harmful.

When spraying on carpet or fabric, test a small area for color fastness.

NOT YOUR STANDARD AEROSOL What Makes Continuous Spray Superior to Standard Aerosols:

- Product delivery is the same regardless of the position the can is held during spraying.
- May be sprayed upright, inverted, or at any angle.
- Same product delivery from the initial spray to the last spray
- Cans will be recycled by the waste management facility
- No chilling effect compared to a standard aerosol
- Same product as with the trigger spray
- Complete dispensing of product
- No hazardous propellants

NET CONTENTS: 15 oz. (425 g)

TOTAL NEUTRALIZATION OF UNPLEASANT ODORS

Modifies the most unpleasant odors at the source without heavy perfuming. Absorbs and destroys odor on contact leaving the air fresh and clean.

ODAWAY® odor absorber controls a wide range of odors.

FOR USE IN BARN AND LIVESTOCK AREAS:

It is the perfect complement to Pyranha® Insecticide.

ODAWAY® is also available as a 32oz trigger spray, 4oz pump spray and a 1 gallon concentrate.

FOR USE IN THE HOME:

It works great around the home and can be misted in the air or applied directly to the source of unwanted odors.

RECOMMENDED AREAS FOR TREATMENT:

Barns	Litter Boxes	Stalls	Car
Kennels	Diaper Pails	Cages	Trucks
Homes	Bedding	Pens	Trailers
Trash	Industrial	Wherever Odors Occur	

DIRECTIONS FOR USE:

GENERAL USE:

Lightly spray carpet, furniture, drapes, A/C filters, clothing, equipment.

KENNELS, CAGES, STALLS, BEDDING, TRAILERS, BARN, HOME, AUTO:

Mist in the air or directly spray on surfaces. Repeat as needed. Do not over-spray to saturation.

SKUNKED PET:

Fully rinse pet, spray the animal with **ODAWAY®** paying extra attention to the skunked area and work thoroughly into the coat.

Completely rinse and spot treat if needed. Use your favorite shampoo as directed, then dry.
